The second evaluation shall include classroom observation by the Division Chairperson and/or the VICE PRESIDENT FOR ACADEMIC AFFAIRS followed by a conference to discuss means to restore or improve the level of professional performance.

a) The Personnel Committee may recommend a continued program of evaluation and professional improvement, and shall report the results of the second evaluation to both the Professional Development and Promotion & Tenure Committees. After reviewing that report, the Promotion & Tenure Committee may recommend a freeze on the individual's salary for one (1) academic year and may instruct the Division Personnel Committee to complete an early evaluation in the following academic year.
